

EUROPEAN THROWING CUP, LEIRIA 2023 MEDICAL CLEARANCE AND SANITARY PROTOCOL - TEAMS

Date of issue: 13 February 2023

Please note that the information provided below is relevant at the date of this document. As the situation evolves, the medical clearance and sanitary protocol may change.

The LOC will endeavour to provide the most relevant and current information, but participants, officials, and volunteers should also remain vigilant to any advice published.

TRAVELLING TO PORTUGAL

Except for passengers arriving from China, there is not COVID-19 restrictions when travelling to Portugal.

Passengers arriving from the rest of the World:

Regardless of their country of origin and their mode of transport, those travelling to Portugal will only have to comply with the usual travel requirements.

UPON ARRIVAL TO LEIRIA/FÁTIMA AND ONSITE

There will be no testing provided by the LOC upon arrival at airport, ports, or the event site.

Transportation:

It is not mandatory to wear masks in shuttle buses, taxis or public transportation.

Mixed Zone:

Athletes will not need to wear the mask.

Victory Ceremonies:

Athletes will not have to wear a mask inside the Victory Ceremony Preparation Room.

EARLY ARRIVALS/PRE-EVENT TRAINING CAMPS IN PORTUGAL

Except for passengers arriving from China, there is not COVID-19 restrictions when travelling to Portugal.

It should be noted that pre-event training camps do not fall within the remit of the LOC. In the event of these presenting an additional level of risk, the responsibility for these types of camp must rest with those organising them.

However, if they proceed, the LOC strongly advises that all the above is followed. The LOC takes no responsibility for organising any activity in relation to this or will not provide any assistance in obtaining exemptions, if required.

GOING BACK HOME

The LOC will not provide any type of COVID-19 test for the teams that request it.
